

Serial No. 10/647,006
Applicant: RAKOCZY

REMARKS

Upon review of the subject application by the inventor and her patent attorney and with further comparisons to the prior art, it is deemed that the amendment submitted herewith would be appropriate for the proper protection of applicant's invention. More specifically, in Claim 2 line 10 "adjustably" has been deleted. A new Claim 15, dependent upon Claim 2, has been added which recites the resting plate as "adjustably" coupled to the vertical member.

Reconsideration and a Notice of Allowance are requested.

Respectfully submitted,

Edward P. Dutkiewicz
